

*Prayer to obtain a favour through  
the intercession of Jeanne Le Ber*

Almighty and eternal God, we praise and  
thank you for your servant, Jeanne Le Ber.

Faithful to the grace of your call,  
she left all to live in silence and in absolute solitude,  
in order to be ever more closely united to Jesus,  
your Son, present in the Eucharist.

Through her prayers, rekindle our faith in the Eucharist;  
make us attentive to the call of your grace  
and grant us the favour that we now seek.

Glory to the Father, to the Son and  
to the Holy Spirit, as it was in the beginning,  
is now and will be forever.

*AMEN*

*Prayer for the beatification  
of Jeanne Le Ber*

Our Father, so filled with kindness and tenderness,  
you showed your solicitude for the beginnings of Montreal  
by instilling in your servant, Jeanne Le Ber,  
a yearning to experience an ever-deepening bond  
with your son, Jesus, present in the Eucharist.

You also wanted people to recognize the quality of her  
intercession and to turn to her in times of hardship.

We ask that her beatification by the Church attract many of  
your children to the adoration of the Eucharist,  
through which you seek to fill the world with your blessings.

Deign to hear the prayers we now address to you  
through Jeanne for your glory and the joy of your Church.
